# Twilight Talk

*Oh the weather outside is frightful,  
But the fire is so delightful,  
And since we've no place to go,  
Let It Snow! Let It Snow! Let It Snow!*

*It doesn't show signs of stopping,  
And I've bought some corn for popping,  
The lights are turned way down low,  
Let It Snow! Let It Snow! Let It Snow!*

*When we finally kiss goodnight,  
How I'll hate going out in the storm!  
But if you'll really hold me tight,  
All the way home I'll be warm.*

*The fire is slowly dying,  
And, my dear, we're still good-byeing,  
But as long as you love me so,  
Let It Snow! Let It Snow! Let It Snow!*

## Nursing

Welcome to another Holiday Season!

The weather is changing so don't forget to bring your loved ones their winter clothes and take the summer ones home. The staff here at Twilight Home try to make sure that this is a festive time of year, so everyone come visit if you can and spread some holiday cheer. We have nursing students at this time of year and they are great. They are learning to care for the elderly and to be advocates for those in their care. We should all give them a round of applause as they will be the ones that are here to care for us in our later years. The staff here at Twilight work hard to keep a homelike environment, after all this is home for all those who live here. I am going to keep this one short and sweet- so Merry Christmas and Happy New Year!!!

Cristi Schmidt, DON

### Environmental Services

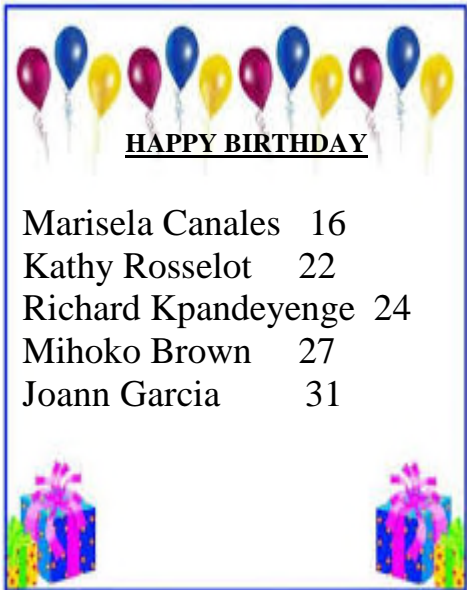

Just a friendly reminder to our residents and family members.....

Please have clothes marked before they leave your room. Our laundry ladies do a good job but if your clothes are not marked they do not always know who they belong to. Also, we will be glad to mark anything for you just let the laundry know. **Just a reminder you may bring any battery operated holiday items if you wish, but can not be electrical and no extension cords.** Thank you for your cooperation. Have a safe and happy holiday.

## EVENTS

Birthday Party 19th

Christmas Party 20th

Thanksgiving Dinner was a wonderful success this year. I want to say thank you to all the staff and volunteers that helped out. We all had a great time seeing all our family and friends that joined us for dinner. What a fun way to kick off the holidays.

### From the Activity Director

Well December is here! WOW! Where has 2017 gone? We will have our **Christmas party at 11:30am December 20th**. This time of year is so busy with all the hustle and bustle of shopping, cooking, traveling, and making plans. I just want to remind you to take a break when you feel stressed. Take a short walk or just go sit on a bench for a few minutes. Take a moment to close your eyes and remember the reason for the season. Think of days gone by and remind yourself of the true happiness this time of year brings. Take time to love yourself while you are spreading all that holiday cheer and have a FANTASTIC HOLIDAY SEASON.

With Love,  
Chasity

## RECIPE OF THE MONTH

### **Butter Pecan Shortbread Cookies**

Shortbread cookies are a must to make for the holidays, and these pecan-filled, buttery biscuits are simply irresistible. Be sure to use real butter, never margarine, for best flavor.

#### **Ingredients**

- 1 cup unsalted butter
- 1/2 cup light brown sugar
- 2 cups flour
- 1 cup ground pecans
- 2 tsp. vanilla
- pinch of salt

#### **Cooking Instructions**

1. Preheat oven to 325 degrees F (160 degrees C). Line a cookie sheet with parchment paper.
2. In a large bowl with an electric mixer or a food processor, beat together butter and brown sugar until creamy. Add flour, ground pecans, vanilla and salt and beat just until it forms a smooth dough. Wrap dough in plastic wrap and refrigerate for 30 minutes to 1 hour to allow it to firm up just enough to shape.
3. By hand, roll dough into 1-inch (2-cm) balls. Place on the prepared cookie sheet and flatten very slightly (to about 1/2-inch/1-cm thickness) with the bottom of a glass that has been dipped in flour to prevent the dough from sticking to the glass. (If you have a cookie stamp, you can use it to flatten the cookies instead of the glass.) Place in the oven and bake for 25 to 30 minutes or until lightly browned on the bottom. Remove from pan and let cool on a rack. Servings: About 2-1/2 to 3 dozen almost authentic shortbread cookies.
